PROFESSIONAL EXPERIENCE

SpendHQ | *Director of Product Marketing* Oct 2024 – Present

SpendHQ is the #1 global procurement intelligence platform, trusted by 13% of the Fortune 100, with \$9T in spend analyzed and \$18B in tracked savings.

- Directly responsible for \$2.5M in pipeline and closed deals, including 50% of Q1 2026 revenue tied to messaging, campaigns, and sales enablement execution.
- Direct attribution for the largest closed sale of H1 2026, driven by the Build vs. Buy narrative.
- Led all company AI enablement, including the creation of 8 AI agents using MCP connectors, establishing SpendHQ as a category leader in applied procurement AI.
- Developed Customer Connect Day engagement series that improved retention to over 90%, exceeding company targets and strengthening long-term customer relationships.
- Author of monthly Customer Newsletter achieving 40%+ open rates — well above industry benchmarks — driving product adoption, loyalty, and ongoing engagement.
- Executed 14 product and marketing webinar campaigns and two Masterclass series (AI in Procurement; Supplier Risk), driving awareness, pipeline, and customer engagement.
- Developed, updated, and communicated platform-wide messaging and positioning across Spend Intelligence, Performance Management, and Data Pipeline.
- Authored 4 white papers supporting thought leadership, demand generation, competitive differentiation and AI adoption.
- Created and led Know Your Solutions, an internal product education series to increase sales and CS team depth across the full platform.

Calendly | *Senior Product Marketing Manager* Jun 2023 – Aug 2024 (RIF)

Calendly is a B2B international SaaS platform simplifying scheduling complexity for sales, marketing, CS, design, and recruiting teams. Coordinated GTM campaign strategy and execution across 12 solutions and product marketers. (RIF)

- Increased campaign MQLs by 125% in 3 months alongside a 266% lift in repurposed content performance.
- Developed Growth Week campaign that yielded 12,481 webinar registrations and 2,180 MQLs.
- Created intent marketing campaign to reduce churn and improve seat usage and feature adoption.
- Awarded “Better Together” all-company award Q1 and “Find a Way” all-company award Q2.

OfficeRnD | *Senior Product Marketing Manager (Contract)* 2022 – 2023

B2B hybrid workplace management SaaS.

- Scaled customer base from 5 to 113 and ASP from \$17K to \$38K through repositioned messaging, ICP development, and GTM strategy.

Booz Allen Hamilton | *GTM Strategy Consultant (Contract)* 2021 – 2022

- Developed go-to-market strategy and messaging for productized consulting IP, enabling internal teams to bring structured offerings to market.

Performance Marketing | *Director of Customer Engagement (Contract)* 2010 – Present (intermittent)

- Develop messaging and event engagement strategies for Fortune 500 technology companies including IBM, Intel, Gartner, and VMware.

Plexure | *Head of Marketing* 2019 – 2021

B2B SaaS mobile personalization platform (acquired).

- Generated 314+ enterprise-level MQLs and drove 75% of the company pipeline through virtual events, fireside chats, and video case studies.
- Built marketing team from contractors to 5, with presence across US, EMEA, and APAC. Grew contact database from 115 to 13,459.
- Initiated Gartner relationship, securing first-year Magic Quadrant inclusion (Mobile Marketing Platforms) — rare for a new entrant; 3 new enterprise deals attributed within 2 weeks.
- Built Martech stack from scratch (HubSpot, ZoomInfo) and reduced budget by \$200K+ while improving pipeline outcomes.

Concora (formerly SmartBIM) | VP Marketing / VP Product Marketing (Defunded) 2018 – 2019

B2B content management for building product manufacturers (defunded).

- Promoted to VP Marketing by the board after 60 days; led full rebrand, messaging overhaul, and pricing strategy.
- Developed \$2.4M in added pipeline and matched a full year's MQLs in 60 days via new messaging, sales script, and LinkedIn ABM campaign (2,319 new connections, 87 MQLs in Q3).

mLevel | Director of Product Marketing & Enterprise Partner Sales (Acquired) 2016 – 2018

B2B microlearning/training reinforcement SaaS (acquired).

- Built a new product/pricing structure that drove \$7M+ in pipeline YTD 2018, including multiple Fortune 100 companies.
- Authored Training Planner that generated 362 enterprise MQLs in under 30 days; developed national co-sell partnership with Slalom.
- Exceeded sales quota by 213% in first 120 days; grew prospect list from zero to 40,000+ in 90 days.

Frontline Selling | VP Marketing & Director of Sales 2014 – 2016 (Acquired)

Enterprise demand generation and appointment-setting SaaS (acquired).

- Grew pipeline from \$0 to \$7.3M in 90 days; increased win rate from 3% to 14% and ASP from \$43K to \$75K.
- Built a sales team of 6 Territory Managers, 10 BDRs, and 1 BDM in 3 months while repositioning product from service to SaaS.

Infusionsoft (Keap) | VP Chapter Development / Director of Business Development 2008 – 2013

- Developed Lifecycle Marketing methodology that drove revenue from \$26M to \$40M and a \$54M Goldman Sachs investment; recognized as 10th fastest-growing software company.
- Developed the Perfect Customer Lifecycle methodology adopted by Sales and CX that drove dramatic improvements in top line revenue and retention.
- Improved customer attrition by over 500% in the first year through structured engagement programs, lifecycle touchpoints, and retention-focused customer success initiatives.
- Sold \$1.5M in software via partner channel and developed a 40-territory Certified Business Adviser program.
